

TIGHES HILL PUBLIC SCHOOL PARENTS AND CITIZENS' (P&C) ASSOCIATION

Who we are

Parents, families and the community are important partners in the education process. The Tighes Hill Public School P&C provides the opportunity to support the school, its staff and students, and to have input into different aspects of school life.

As the representative body, we are open and inclusive and proud to celebrate the diversity of our school population. We come together in the spirit of community, cooperation and friendship.

In all our efforts and discussions, we reflect the school's values of quality, respect and responsibility.

What we do

With the support of volunteers, the P&C provides a range of services that support the school and enhance the wellbeing of the school community, including:

- School canteen
- Uniform pool
- Vegetable garden
- Playground enhancements

We also support the school where we can by providing additional resources. We do this via a range of different fundraising activities throughout the year including sausage sizzles, Mothers' and Fathers' Day stalls, pie drives, movie days, and a biennial fete. Your new ideas and enthusiasm are always welcomed!

Meetings

P&C meetings provide a safe and caring environment for parents to engage in open dialogue with other parents and school leaders around ideas, interests and concerns.

Meetings are held in Weeks 3 and 8 of each term on Mondays at 6pm in the staff room.

Sub-committees

Sub-committees meet to progress different aspects of P&C activity. This is where longer discussions are held and the subcommittees then report back to the P&C, making recommendations for different initiatives to be endorsed and supported by the P&C.

Our current subcommittees are:

- Canteen
- Fundraising
- Environment

Getting involved

There are many opportunities throughout the year to get involved in P&C activities.

New members are welcome at any of our meetings. A \$2 annual fee gives you voting rights and ensures you are covered by our insurance.

The canteen is always on the lookout for additional volunteers. The school office has forms for new volunteers to complete.

There are always opportunities to get involved throughout the year. A little bit of your time will make a big difference.
