Term 4 Week 6

20th November 2019

Principal's Report

We are incredibly proud of our amazing young mathematicians, Dimitri, Wenyu and Paul! The boys were recognised at the Newcastle Permanent Mathematics Competition award ceremony last fortnight, thanks to their exceptional achievement in this year's competition. Hard work, perseverance, effort and methodical application has certainly paid off for these three superstars! Dimitri placed 1st and Paul 2nd in the Year 5 division and Wenyu received a District Prize award. Well done!

Principal's Report

Well done to our amazing chess team, Callum, Bobby, Oscar and Paul who represented our school in the finals of the NSW Junior Chess teams tournament last fortnight. The boys placed 1st with a very convincing win and excellent sportsmanship. Congratulations!

Kindergarten 2020

What a wonderful Kindergarten Orientation day we had! So many families and children attended. Thank you to all the parents who provided such positive feedback and enjoyed the rotations and the information sessions which I know provided a greater opportunity for parents to ask questions and be involved. A delicious morning tea organised by Mrs Pope completed the day. Thank you to Mrs Dickson for her wonderful organisation.

As we are heading towards the final weeks of term and our already busy program is crowding in please make sure that you read all newsletters and notes so that you or the children don't miss out on any activities planned.

OC Orientation

The dates have been set for all the students who have been successful in gaining an offer or are on the reserve list for our 2020 year 5 OC class. The Orientation evening was held on Thursday 24th Oct and letters have been posted with the details of follow up student transition sessions. We are looking forward to welcoming all our successful students and families.

Outstanding Excursion Payments and School Fees

As we are entering the final few weeks of the 2019 school year I urge all parents to finalise outstanding payments for excursions, photographs, book packs and school fees. Each year, as a school we end up carrying bad debts and then we have difficulty trying to retrieve late payments. At present, the school has covered these costs from our budget allocations which is affecting our ability to organise other activities. We urgently need to be reimbursed for this amount. Our budget is designed to be shared equally throughout the entire school population.

TRADITIONAL INDIGENOUS GAMES

Looking for fun activities for the kids?

Why not try some **Yulunga: Traditional Indigenous Games**

Thirring-Nunna 'thir-ring-nun-na' is a hide and seek game that is played by the Aboriginal children in Queensland.

One player is the 'seeker' and the other players hide. Once hidden, the players are not allowed to move from their hiding places.

The seeker searches for the hidden players.

When players are found they can help the 'seeker' to find the other players.
