Students are challenged to utilise higher order thinking skills to produce work of quality and depth.

## TIGHES HILL PUBLIC SCHOOL OPPORTUNITY CLASS

*Dedication, Innovation  
Opportunity & Success*

Offering a stimulating program aimed to maximise student outcomes and foster future focused learning skills.

## The role of IT in the OC

**Communicate, Connect,  
Collaborate and Create**

Our program offers students the opportunity to utilise a range of technology to enhance learning experiences. Some of these programs include:

- \* Google Classroom, Edublogs, Canva, Mathletics, Microsoft Office, Spelling City and Maths Online.

*Follow the adventures of  
the OC on Instagram  
[@oc\\_with\\_ms\\_armstrong](https://www.instagram.com/oc_with_ms_armstrong)*

## Literacy and Numeracy

Students in the OC have access to a range of high quality literature and will investigate advanced themes during novel studies and literature circles that are linked with learning in other curriculum areas.

Our numeracy program aims to develop and enhance students' mathematical knowledge by applying real life problem solving skills. Students will have access to programs such as: AMC, Maths Olympiad, Mathletics, mathsonline, nrich and Pearson Mathematics.

## Competitions and other opportunities

- \* Lots of excursions
- \* Newcastle Writer's Festival
- \* Mathematicians in Schools program
- \* Maths Olympiad
- \* Engineering Challenge Discovery Days
- \* Hunter STEM Festival
- \* Hunter Valley Mini EV Festival
